## IRELAND'S 1ST CYBER SECURITY & DATA COMPLIANCE EXPO

# Cyber Expo Ireland

Cyber Security & Data Compliance

29th November 2017 | Irish Management Institute (IMI) | Dublin

### EXHIBITOR DEMOS

Our Exhibitors are among the leading global Data Security and Compliance Software Companies. View the latest versions of their products first hand and assess their suitability for your requirements.

### EXPERT 1 TO 1 CLINICS

Cyber Security impacts ALL areas of business. Discover practical solutions and ways to minimise business exposure to Cyber related crimes with personal advice from our Experts.

### RESELLER GUIDANCE

Our Resellers can discuss the practicalities of deploying Data Security Solutions to ensure Best Practice is adhered to and Compliancy is achieved.

### EXPERT INSIGHTS

Renaissance's extensive network in the Security Industry in Ireland means that we are ideally placed to bring you innovative and expert views from the Legal, Financial, HR and IT professions.
